

Rota Trolleys

Product Info:

The handling of workplace materials can mean heavy lifting and repetitive movements, putting strain on operatives.

All of our trolleys are at a comfortable working height for movement, so no more bending to move materials from one location to another.

We offer a range of wheeled trolleys in various sizes from 150 litre to 500 litre capacities.

All sizes are rotationally moulded for strength and durability and come supplied and fitted with either 100 mm or 160 mm fixed & swivel castors.

Key Features:

- Made from UV Stabilised Polyethylene
- Practical & Robust
- Multiple Capacities for a Range of Uses
- Certain Models Suitable for Food Grade Materials
- Indoor or Outdoor Use
- Available in Alternative Colours
- Spare Castors Available
